

Introduction

Countless varieties have dominated the world of snacks. Pop in The Kettle Gourmet to add to the mix. We're not here with any lofty mission. If anything at all, we want to spread the joy of snacking.

And our snack of choice ...

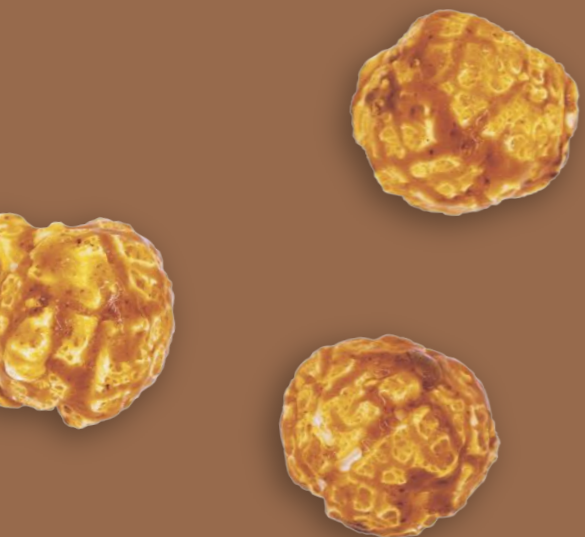

popcorn

Trivia

It started as a hobby when Zac, our founder, smelled the delicious and overbearing aroma of nasi lemak in the cinema while he was snacking on his popcorn. He thought, why not infuse the taste into popcorn?! So the journey started in 2017, and he has not looked back since.
